Framed Width: 47 cm (18.5")

Description

This is a view over the Outer Circle in Regent's Park, towards Conrwall Terrace, with a Mousell Bros. removals wagon. Mousell Bros were originally a Leamington Spa-based company which became one of the UK's largest removals contractors by the early 20th century, with a number of London branches. Horses were still used by removal companies up to World War II.
