Framed Height: 41.5 cm (16.3")

Framed Width: 33 cm (13")

Description

This strong drawing was likely made in the life studio at the RCA, and may even show the same seated model with a bob drawn in a 1924 pen and ink, charcoal and chalk drawing of similar dimensions by Henry Moore (with Osborne Samuel), as well as in drawings in the Henry Moore Foundation collection. At some stage, the drawing was cut down and folded for framing under the present mount. The third image shows the drawing unfolded.
